## EXECUTIVE SUMMARY

December 2019

Dear President Pullen, President Pro Tem Ronning, and Trustees:

The following is the Adopted FY 2020 Budget for the Village of Middleville.

### **OVERVIEW:**

Since 2008, Middleville's Village Council has had to make some tough decisions to keep a tight fiscal control. Their due diligence has led to a very positive 2018 & 2019. The Village is continuing to see positive growth for the future due to the Bradford White Corp. expansion, increased residential home starts and increased property values. Those efforts will continue to pay off as the Village begins the fiscal year 2020 budget process which also includes projects for fiscal year 2021, the seventh multi-year budget for the Village.

Economic trends that will continue to be watched by the Village include property tax revenue, state shared revenues, personal property tax, health insurance premium rates, retirement funding levels, and fuel and energy prices. Each of these factors could pose a help or hindrance to the Village's 2020 budget and will be closely monitored.

Assumptions that have been made in drafting the FY2020 Budget include:

- Inflation rate will rise 1% through 2020.
- Taxable value on real property is projected at 1% (1.32% 2016 rate recommended by the State)
- Taxable value on personal property will decrease with the PPT law changes.

With the uncertainty of the economic trends, the Village has taken precautionary measures to adapt to the "New Normal" of the Michigan economy. The Village has been proactive in reducing its overhead and operating costs where possible. This means that operational cost-saving techniques are continuously sought by management. Some of these techniques include energy audits, contracting for natural gas service, bulk purchase of fuel, shared printing and publishing with the Township, and minimal use of overtime hours.

Staff continues to implement procedures for better utility billing collection with improved mapping by DPW staff for meter reads, improved management of customer payment plans and the acceptance of payments by credit card both over the internet, telephone and in person at the Village Hall.

Another area the Village will continue to monitor is professional services provided to the Village to insure the greatest level of expertise and service provided to staff and residents as well as for the most cost-efficient price. Health care premiums will also be closely monitored.

In keeping with the trends and information provided above, this budget can be viewed as a "status quo" budget. This is because:

- Only high priority capital projects are to be completed
- Hourly increase for union staff as allowed by Collective Bargaining Agreement (Teamsters).
- Hourly increase for non-union staff.

The Village’s overall budget for expenditures is \$4,677,392, as compared to the prior year budget of \$4,244,860. The increase of \$432,532 represents the capital improvements that are scheduled in 2020.

Total budgeted expenditures, including inter-fund transfers are as follows:

Fund		FY 2019	FY 2020	FY 2021
101	General Fund	1,726,627	1,846,837	1,801,177
202	Major Streets	418,589	378,076	455,830
203	Local Streets	114,829	140,250	140,189
213	Special Assessments	-	-	-
220	LDFA	645,345	680,345	731,745
222	DDA	214,720	230,589	227,145
590	Sewer Fund	647,439	683,691	697,196
591	Water Fund	449,201	450,102	447,414
661	Motor Pool	180,867	256,305	179,435

**PERSONNEL:**

- The attached budget includes nine full-time positions (Village Manager, Finance Director, DPW Director, DPW Assistant Director/WWTP Manager, Planning/Zoning Administrator, 4-DPW Equipment Operators), four part-time positions (Clerk, Administrative Assistant/Deputy Clerk, Code Enforcement Officer, Crossing Guard), one fulltime DDA Director, three seasonal part time positions (Market Master, Master Gardener, Gardener Assistant), and two seasonal DPW employees for summer.
- All DPW Teamster union employees will receive a previously negotiated adjustment of +2-3%, based on the consumer price index.
- All other non-union employees are eligible for adjustment if approved by Village Manager and Village President.
- The total cost of providing benefits to Village employees exceeds \$165,350 per year. Some of these benefits are required by law, others are negotiated with the Teamsters. The four largest benefit packages include health insurance at \$114,000, pension benefits at \$92,973, OPEB at \$53,780, and social security benefits paid to the federal government at \$51,486.

**GENERAL OPERATING FUND:**

The General Fund budget will have revenues of \$1,951,832 and expenditures of \$1,853,329, leaving a projected fund balance of \$98,503.

Property tax revenues have changed as follows:

	<u>FY 2019</u>	<u>FY2020</u>	<u>% Change</u>
Real and Personal	\$921,831	\$980,000	+ 9%

Revenue Sharing was budgeted with the constitutional portion and the statutory portion included at 100% based on the information provided by the State of Michigan Treasury Department. Because of the unforeseen circumstances of the economy, this budget takes a conservative approach of estimating low for revenues and high for expenditures.

The agreement with the Barry County Sheriff Department for the Middleville Unit is funded through the general fund. The agreement for FY2020 is in the amount of \$298,036 compared to \$289,940 for FY2019. This represents an increase due to increases in benefits.

**MILLAGE:**

	<u>FY 2019</u>	<u>FY2020</u>	<u>% Change</u>
General Operating	10.5	10.5	0%
Highway Fund	2.0	2.0	0%

**STREET FUNDS:**

The **Major Street** budget will have revenues of \$460,504 and expenditures of \$378,995, leaving a projected fund balance of \$81,509.

The **Local Street** budget will have revenues of \$190,951 and expenditures of \$141,016, leaving a projected fund balance of \$49,935.

**SPECIAL ASSESSMENT FUND:**

The Special Assessment Fund will have revenues of \$1,000 and expenditures of \$0, leaving a projected fund balance of \$1,000.

This fund receives payments from agreements established with developers for infrastructure development and utility hook-up fees. Bond payments are made in support of these water and sewer infrastructure improvements out of the water and sewer funds.

**LOCAL DEVELOPMENT FINANCE AUTHORITY (LDFA) FUND:**

The LDFA Fund budget will have revenues of \$568,849 and expenditures of \$680,345. This results in a fund balance usage of \$111,496.

**DOWNTOWN DEVELOPMENT AUTHORITY (DDA) FUND:**

The DDA Fund budget will have revenues of \$198,485 and expenditures of \$230,589. This results in a fund balance usage of \$32,104.

**UTILITY FUNDS:**

The **Sewer Fund** budget will have revenues of \$781,632 and expenditures of \$684,973, leaving a projected fund balance of \$96,659.

Revenues were projected based on rate increases for FY2020. These rates in comparison are:

	<u>FY 2019</u>	<u>FY2020</u>	<u>% Change</u>
Commodity (per 1,000 gal used)	\$ 3.10	\$ 3.16	+ 2%
Bond Debt (based on meter size per quarter)	\$40.40	\$41.21	+ 2%
Readiness (based on meter size per quarter)	\$17.70	\$18.05	+ 2%

The Sewer Fund budget includes the fourth year of managing and operating the Wastewater Treatment Plant internally.

The **Water Fund** budget will have revenues of \$489,257 and expenditures of \$451,393, leaving a projected fund balance of \$37,864.

Revenues were projected based on rate increases for FY2020. These rates in comparison are:

	<u>FY 2019</u>	<u>FY2020</u>	<u>% Change</u>
Commodity (per 1,000 gal used)	\$ 2.00	\$ 2.08	+ 4%
Bond Debt (based on meter size per quarter)	\$13.67	\$13.67	0%
Readiness (based on meter size per quarter)	\$14.17	\$14.74	+ 4%

**OPEB FUND:**

The OPEB Fund budget will have revenues of \$53,780 and expenditures of \$18,630. This will leave \$35,150 that can be placed toward the underfunded liability.

The OPEB Fund collects from each of the departments to help pay for the retiree benefit in-lieu of health insurance.

**MOTOR POOL FUND:**

The Motor Pool Fund budget will have revenues of \$162,550 and expenditures of \$256,752. This results in a fund balance usage of \$94,202.

The Motor Pool Fund “rents” equipment to user departments and, over the useful life of equipment, recovers the original acquisition cost and some inflationary replacement costs as well.

**IN CONCLUSION:**

The proposed fiscal year 2020 budget can be viewed as a “status quo” budget. It is clearly recognized that over the next year continued efforts will need to be made to keep expenditures within or below their budgeted amounts and a vigilant watch on revenues to be prepared for any fluctuations which would require budget amendments. Continuing with the quarterly budget reporting and constant communication amongst staff will facilitate these efforts.

We must also recognize that the difficult decisions made by the Village Council have made it possible for the fiscal condition of the Village to continue to improve. There are positive indicators for the Village’s future in this budget. However, we must realize that the Village of Middleville is not exempt from the current economic conditions of West Michigan, the State of Michigan or the Nation. We are fortunate that Barry County is ahead of these trends with positive economic indicators and that our largest employer is expanding and creating new jobs and the Village has new manufacturers bringing jobs. Still over the past several years, revenues have not kept pace with the rising cost to provide services to the citizens at the level they expect. Every effort is made to keep service levels consistent without raising taxes. We look to our neighbors to share services, we brainstorm ways to provide the same services at lower costs, and we tighten our belts and spend less wherever possible.

Finally, I would like to acknowledge and thank Council, Boards and Village employees for their hard work and dedication each and every day. Every person continues to make sacrifices for the betterment of the Village and takes their jobs as public servants seriously. Without them, this budget would not be possible. It is to their credit that I present this budget to the Village Council.

Respectfully Submitted,

Duane Weeks  
Village Manager

## BUDGET SUMMARY – FISCAL YEAR 2020

Funds	Revenues	Expenditures	Differences
101- General Fund	1,951,832	1,846,837	104,994.74
