

Annual Spring Clean-Up – One Day Only June 6, 2020

Annual Spring Clean-Up Day is drawing near! As an annual service to residents, the Village of Middleville has arranged with Republic Services for a one-day pick-up of household items, rolled carpet, furniture, and other large and bulky objects that have outlived their usefulness.

Village residents may begin placing items at the edge of a Village street abutting their own residence on May 30, 2020. All items must be placed at the curb by 9:00 p.m. on June 5, 2020. The private hauler will make only one sweep through the Village beginning at 7:00 a.m. on June 6, 2020.

The pick up will be one day only – June 6, 2020.

The private hauler will not pick up the following: petroleum-based products, toxic chemicals, paint, motor vehicle parts, building demolition or construction materials (including concrete), batteries, food wastes, animal wastes, tires, and carcasses and any other materials deemed to be hazardous. (See below)

Refrigerators and other appliances will be picked up but must have all airtight doors completely detached for safety reasons.

The Annual Spring Clean-Up Day is financed by Village property taxes and is only for Village residents and property owners. Any Village resident allowing Spring Clean-Up items from outside the Village will forfeit their pickup. If unauthorized waste items are mixed in with authorized waste items, the result will be that no items will be collected from that residence.

If items are placed out at the curb **after** the waste hauler has made the scheduled one sweep of the Village, the resident will be responsible for disposing of those items and any expense related to that disposal.

Resources for Hazardous Waste and Building Material Disposal

Hazardous Waste may be taken to the Expo Center, Barry County Fairgrounds, 1350 N. M-37 Hwy, Hastings, MI 49058, on Saturday, September 26, 2020 between 9 a.m. and 1 p.m., sponsored by the Barry County Solid Waste Oversight Committee. Visit their website at www.barryeatonhealth.org or call (517) 543-3686 for more information.

Waste Building Materials and other non-hazardous waste items may be taken by residents at their own expense to Waste Management Hastings Landfill (269) 945-2260 ext. 2, 1899 N. M-43 Highway, Hastings, MI 49058 between the hours of 8 a.m. – 3:30 p.m., Monday – Friday and 8 a.m. – 12 Noon, Saturday. A minimum fee of roughly \$53 will be charged per Waste Management for a pick-up truck sized load that is brought to their location. The Kent County Landfill on 100th St. in Caledonia at (616) 877-4092 is another possibility if the location is closer for a resident. Call ahead for rates and hours of operation.
