

YARD WASTE COLLECTION 2021

The Village of Middleville is continuing its effort to be “Green” and help the environment. Beginning again in April, on the **2nd and 4th Monday** of each month through October, yard waste collection will begin. **BIODEGRADABLE PAPER BAGS WILL BE NEEDED FOR YARD WASTE.**

The Department of Public Works (DPW) plans to collect yard waste from **April 12, 2021, through October 11, 2021** weather permitting. Grass, leaves, and other yard waste must be in **biodegradable paper yard waste bags**. Yard waste put out for collection must be free of trash, household wastes, tree root balls, and stones. Each bag should contain no more than 50 pounds each.

After October 11, 2021, the DPW crew will begin vacuuming all yard waste typically placed in biodegradable paper yard waste bags. All yard waste should be raked to the curb until the last day of leaf pick-up on **November 12, 2021**. Yard waste should not cover the sidewalk or interfere with pedestrian traffic, nor protrude into any part of the paved roadway.

BRUSH COLLECTION 2021

Brush pick-up during the calendar year 2021 will occur one day per month, the **4th Monday of the month, from April through September. For the month of October, brush pick-up will be on the 2nd Monday of the month.** It must be placed at the curbside, all stacked in the same direction. It should not cover the sidewalk or interfere with pedestrian traffic, nor protrude into any part of the paved roadway.

Brush and tree limbs will be collected, if less than 6 inches diameter and less than 10 feet long, on the **4th Monday of the month starting April 26, 2021**. Please make a note of the adjustment to the regular schedule as the **last day for brush pick-up will be October 11, 2021**. The DPW crew will not pick up any root balls. **Please note this program is NOT designed for the pick-up of entire trees or lot clearing.**

COLLECTION TIME

The actual time required in collecting all yard waste and the specific time your home is served depends on overall volume and weather conditions. It is possible that a given yard waste collection sweep will take several days to complete. In any case, each residence will be visited, in turn, just once during each sweep.

All leaf bags, yard waste, and brush must be placed at the curb by 6:00 a.m. on the collection date. Yard waste not properly placed at the roadside, at the time the DPW crew visits a given residence, will not be collected during that sweep.

For more information, please contact Village Hall, 100 East Main Street, 269-795-3385 between 9:00 a.m. and 5:00 p.m., Monday through Friday.
