# **EXECUTIVE SUMMERY**

December 7, 2021

Dear President Ronning, and Trustees:

The following is the Adopted FY 2022 Budget for the Village of Middleville.

## **OVERVIEW:**

Since the “Great Recession of 2008,” Middleville’s Village Council had to make some tough decisions to keep a tight fiscal control due to falling property values. Their diligence has paid off, and, along with growth in housing year after year, led to a very positive 2020 & 2021. The Village is continuing to see growth due to more Bradford White Corp. expansion, increased residential home starts and increased property values. Those efforts will continue to pay off as the Village begins the fiscal year 2022 budget process which also includes projects for fiscal year 2023, the ninth multi-year budget for the Village.

Economic trends that will continue to be watched by the Village include property tax revenue, state shared revenues, personal property tax, health insurance premium rates, retirement funding levels, plus fuel and energy prices. Each of these factors could pose a help or hindrance to the Village’s 2022 budget and will be closely monitored. A positive note is that with increased 2020 US Census population numbers comes increased constitutional shared revenue from the state.

Assumptions that have been made in drafting the FY2022 Budget include:

- Inflation rate will rise 5% through 2022
- Taxable value on real property is projected at 6% due to growth in housing in the community.
- Taxable value on personal property will continue to decrease because of past PPT law changes.

With the uncertainty of the pandemic, the Village has taken precautionary measures to adapt to the “New Normal” of the Michigan economy. The Village has been proactive in protecting the health of employees and residents by expanding virtual meeting options. In addition to that, operational and overhead cost-saving opportunities are continuously sought by management.

Staff continues to implement procedures for better utility billing collection with improved coordination of equipment replacement/repair, improved management of customer payment plans and continued acceptance of payments by credit card over the internet, telephone, autopay or ACH, and in person at Village Hall.

Another area the Village will continue to implement is professional development services provided to staff to ensure the greatest level of expertise and service provided to residents. Health care plans and premiums will also be closely monitored.

In keeping with the pandemic’s disruption of trends and new census information, the budget can be viewed as a “new normal” budget. This is because:

- Hourly increase for union staff as allowed by Collective Bargaining Agreement (Teamsters).

- Hourly increase for non-union staff, raising base compensation to assist with retention.
- Budgeting for the addition of a fourth deputy sheriff.
- Budgeting to take advantage of last year's increase in housing starts.

The Village's overall budget for expenditures is \$5,061,107 as compared to the prior year budget of \$5,607,797. The decrease represents the capital improvements that were scheduled in 2021.

Total budgeted expenditures, including inter-fund transfers are as follows:

Fund		2021	2022	2023
101	General Fund	1,288,894	1,642,292	1,459,541
202	Major Streets	463,598	449,219	358,647
203	Local Streets	290,002	144,553	132,167
248	DDA	213,623	239,871	198,936
250	LDFA	1,741,745	399,636	217,443
590	Sewer Fund	5,994,252	1,395,127	799,671
591	Water Fund	543,958	621,070	576,652
661	Motor Pool	187,349	170,883	106,361

#### PERSONNEL:

- The attached budget includes eleven full-time positions (Village Manager, Finance Director, DPW Director, DPW Assistant Director/WWTP Manager, Assistant Manager/Planning/Zoning Administrator, 5-DPW Equipment Operators, Clerk, Deputy Clerk/UB Clerk), two part-time positions (Code Enforcement Officer, Crossing Guard), one fulltime DDA Director, and three seasonal DPW employees for summer.
- All DPW Teamster union employees will receive a previously negotiated adjustment of +2%.
- All other non-union employees are eligible for compensation adjustments as approved by Village Council on November 23, 2021.
- The total cost of providing benefits to Village employees exceeds \$344,125 per year. Some of these benefits are required by law, others are negotiated with the Teamsters. The four largest benefit packages include health insurance at \$150,490, pension benefits at \$75,325, OPEB at \$68,446, and social security benefits paid to the federal government at \$49,864.

## GENERAL OPERATING FUND:

The General Fund budget will have revenues of \$1,672,183 and expenditures of \$1,640,747 leaving a projected fund balance of \$31,436.

Property tax revenues have changed as follows:

	<u>FY2021</u>	<u>FY2022</u>	<u>% Change</u>
Real and Personal	\$1,091,220	\$1,157,244	6%

Revenue Sharing was budgeted with the constitutional portion and the statutory portion included at 100% based on the information provided by the State of Michigan Treasury Department. It is expected that the Village will receive an increase in Constitutional Revenue Sharing because of the increase in population reported for the 2020 US Census. Additionally, the State of Michigan Treasury Department issued a statement in November, 2021, that the Headlee and Proposition A property tax adjustment will be 1.033% for property taxes assessed in 2022. This slight increase in property taxes is not included in projections for tax revenue.

This budget takes a conservative approach by estimating low for revenues and high for expenditures.

The agreement with the Barry County Sheriff Department for the Middleville Unit is paid for through the General Fund. With the Village in talks with the Sheriff department about adding another deputy, the budget is just an estimate until the two entities have come to an agreement, and a new deputy is assigned.

## MILLAGE:

	<u>FY 2021</u>	<u>FY 2022</u>	<u>% Change</u>
General Operating	10.5	10.5	0%
Roads Fund	1.9626	1.8305	-0.9%

## ROAD FUNDS:

The **Major Street** budget will have revenues of \$581,824 and expenditures of \$449,219, leaving a projected fund balance of \$132,605.

The **Local Street** budget will have revenues of \$289,485 and expenditures of \$144,553 leaving a projected fund balance of \$144,932.

## DOWNTOWN DEVELOPMENT AUTHORITY (DDA) FUND:

The DDA fund budget will have revenues of \$254,737 and expenditures of \$239,871, leaving a projected fund balance of \$14,866.

## LOCAL DEVELOPMENT FINANCE AUTHORITY (LDFA) FUND:

The LDFA fund budget will have revenues of \$575,220 and expenditures of \$399,636, leaving a projected fund balance of \$175,584.

#### **UTILITY FUNDS:**

The **Sewer Fund** budget will have revenues of \$1,404,019 and expenditures of \$1,395,127, leaving a projected fund balance of \$8,892.

Revenues were projected based on rate increases for FY 2022. The rates in comparison are:

	<u>FY 2021</u>	<u>FY 2022</u>	<u>% Change</u>
Commodity (per 1,000 gal used)	\$ 3.29	\$ 3.35	+ 2%
Bond Debt (based on meter size per quarter)	\$42.86	\$43.72	+ 2%
Readiness (based on meter size per quarter)	\$18.41	\$18.78	+ 2%

The **Water Fund** budget will have revenues of \$659,129 and expenditures of \$621,070, leaving a projected fund balance of \$38,059.

Revenues were projected based on rate increases for FY 2022. The rates comparison are:

	<u>FY 2021</u>	<u>FY 2022</u>	<u>% Change</u>
Commodity (er 1,000 gal used)	\$ 2.16	\$ 2.20	+ 2%
Bond Debt (based on meter size per quarter)	\$14.22	\$14.50	+ 2%
Readiness (based on meter size per quarter)	\$15.33	\$15.64	+ 2%

#### **OPEN FUND:**

The OPEB Fund budget will have revenues of \$68,446 and expenditures of \$18,770. This will leave a \$49,676 that can be placed toward the underfunded liability.

The OPEB Fund collects from each of the departments to help pay for the retiree benefit in-lieu of health insurance.

#### **MOTOR POOL FUND:**

The Motor Pool Fund budget will have revenues of \$171,200 and expenditures of \$170,883, leaving a fund balance of \$317.

The Motor Pool Fund “rents” equipment to the user department and over the useful life of the equipment, recovers the original acquisition cost and some inflationary replacement costs as well.

## **IN CONCLUSION:**

The proposed fiscal year 2022 budget can be viewed as a “new normal” budget. It is clearly recognized that over the next year continued efforts will need to be made to keep expenditures within or below their budgeted amounts, and a vigilant watch on revenues to be prepared for any fluctuations which would require budget amendments. Continuing with the quarterly reporting and constant communication amongst staff will facilitate these efforts.

We must recognize that past difficult decisions made by the Village Council have made it possible for the fiscal condition of the Village will continue to improve. There are positive indicators for the Village’s future in this budget. However, we must realize that the Village of Middleville is not exempt from the current economic conditions of West Michigan, the State of Michigan, or the Nation. We are fortunate that Barry County is ahead of these trends with positive economic indicators and that our largest employer is expanding and creating new jobs and the Village has new manufacturers bringing jobs. Every effort is made to keep service levels consistent with the change that staff is seeing. We look to our neighbors for innovative ideas and to share services. We brainstorm ways to provide the same services at lower costs, and we tighten our belts and spend less wherever possible.

Finally, I would like to acknowledge and thank Council, Boards and Village employees for their hard work and dedication each day. Each person takes their job as a public servant seriously. Without our terrific leadership team, this budget would not be possible. It is to their credit that I present this budget to the Village Council.

Respectfully Submitted,

Patricia Rayl

Village Manager
