

## Notice for Yard Waste and Brush Collection 2026

### YARD WASTE COLLECTION

Starting in April, yard waste collection will begin on the 2<sup>nd</sup> and 4<sup>th</sup> Monday of each month.

The Department of Public Works (DPW) plans to collect yard waste from **April 13, 2026, through October 12, 2026**, weather permitting. Grass, leaves, and other yard waste must be in **biodegradable paper yard waste bags**. Yard waste put out for collection must be free of trash, household wastes, tree root balls, dirt, and stones. Each bag should weigh no more than 50 pounds.

**Beginning October 26, 2026**, the DPW crew will be vacuuming all leaves and yard waste. All yard waste should be raked as close to the curb as possible without covering the sidewalk or protruding into the roadway. The last week of pick-up begins **November 16, 2026**. **NO BAGS SHOULD BE USED DURING THIS TIME.**

### BRUSH and tree limb COLLECTION

**Brush and tree limb pick-up** will be one time per month, **from April through October on the 4<sup>th</sup> Monday of the month.**

Brush must be placed at the curbside, all stacked in the same direction parallel to the street. It should not cover the sidewalk, interfere with pedestrian traffic, or protrude into any part of the paved roadway.

Tree limbs must be less than 6 inches in diameter and less than 10 feet long and not contain any root balls. Please note ~ this program is NOT designed for entire trees or lot clearing.

**The final brush and limb pick-up will begin October 26, 2026.**

### COLLECTION TIME

The time required to collect all yard waste and the specific time your home is served depends on overall volume, weather conditions, and other tasks that may take priority. **Yard waste, brush, limb, and leaf collection may take several days to complete.** Each residence will be visited once during each sweep.

**All leaf bags, yard waste, and brush must be placed at the curb by 6:00 am on the collection date.** Items not properly placed at the roadside when the DPW crew arrives for pick-up will not be collected during that sweep.
